MEMORANDUM

Re Summer Courses in Home Economics

The Minister of Education announces that in the summer of 1938 the Department of Education will conduct in Toronto two courses in Home Economics to be known as Part I Home Economics and Part II Home Economics.

To the Course in Part I Home Economics will be admitted teachers who hold the High School Assistant's certificate, or the First Class certificate with qualifications for teaching in Continuation Schools, and who have had at least the course in Upper School Chemistry or its equivalent.

To the Course in Part II Home Economics will be admitted

(a) those who completed the Course in Household Arts during the summer of 1937,

(b) those who will have completed the supplementary course in Home Economics at the Ontario College of Education during the session of 1937-38, and,

(c) graduates of the Ontario College of Education who have completed two years of the Associate Course in Macdonald Institute, Guelph.

Further announcement of these courses will be made in the Circular "General Announcement of Summer Courses" issued in March each year. Applications for admission to the Courses will be made upon forms to be obtained from the Department in April next.

TORONTO, October 21, 1937.
